We look forward to seeing you all out at the Small Game Camp on December 2nd and 3rd! Attached is a map with GPS coordinates for the camp, but it's easy to find and the road in is a good 2-wheel drive road.

As noted below, the meals and drinks are being provided but please consider bringing your own snacks and extra water. Everyone is welcome to campout with us on Saturday night but if you do not have the appropriate gear or are not comfortable camping out you can feel free to commute back and forth.
